LIVING OUR FAITH

FROM THE DESK OF FR. THOMAS PASTORIUS

1. Faith and Family Programs:

Our Faith and Family programming for April 4th which is a 1st TUESDAY of the month: 6:30 Blue Knights, Little Flowers, Young Disciples. 7PM: Pillars of Faith.

2. Weekly Shout Out:

A priest friend of mine came to the Fish Fry last week and found it pretty impressive that so many people could work together so efficiently. He was especially impressed with those who were bussing tables and helping with drinks. Thank you, once again, for allowing God's goodness to shine through you. Please take the time to nominate someone for our weekly shout out by emailing Fr. Pastorius at fathertompastorius@gmail.com or by calling the rectory and letting us know who you would like to give a shout out to and why.

3. Stations of the Cross.

Over the last few weeks, we have had someone talk to us about the devotion of the Stations of the Cross. I would like to encourage everyone to add this devotion to your Lenten practices. Stations are each Friday at 7 PM and on Good Friday at 2 PM.

4. Fish Fries

We will have our next Fish Friday this Friday and so here is another bad fish joke: Why don't fish play basketball? Because they're afraid of the net. Our next Fish Fry will be April 7th 4:30-7PM.

5. Special Lenten Holy Hour

Thank you to everyone who has been attending our special Holy Hour each Sunday of Lent. Many of the priests have expressed great enthusiasm at being able to return to Epiphany and see all of you.

6. Special Epiphany Event

This year Epiphany will be hosting its first ever Cow Patty Bingo on Saturday June 3rd. The goal of this event is twofold. First, we would like to have a nice event for our neighborhood (parishioners and non-parishioners). This is why we will have free music, games, and food trucks. So please mark June 3rd on your calendar and bring your family and lawn chairs up to Msgr. Sullivan field. Secondly, we would like to raise some extra money to make up for the Friday rainout of last year's homecoming. Therefore, we will be marking off part of Msgr. Sullivan field into 500 spaces and are selling the spaces for \$20 dollars a space. We will then have a cow (a real cow) come and wander the field. If the cow makes a deposit on your space, you will win \$2,000. If every family would purchase a \$20 space, we would easily make our goal of selling 500 squares. Squares can be purchased at rectory or next weekend after Masses.

7. Homemade Crosses For Sale

I will be selling Crucifixes that I have made after Masses this weekend and at fish fry. They make great gifts and all the money will be going to the different charities I support.

God bless,
Fr. Tom

Pro-Life Matters Lenten Pro-Life Opportunity - 40 Days for Life NOW - April 9 continues. Many good things are happening. Spiritual Adoption - This is a reminder that we are going through a Parish Spiritual. Please take some time to visit the statue of St. Therese and see the progress our baby is making. The baby is now in the womb 3 months and developing lungs, fingers and toes, even sucking his/her thumb. Also please take a prayer and pray for the unborn baby who is in danger of abortion.

State Issue - The Missouri General Asswembly is considering sa large number of bills that can have a significant positive effect on the Pro-Life disposition of Missouri's laws. These include:

House Bill HB 174: This State Bill could pre-empt the city's "Abortion Sanctuary" bill BB203.

HB 655: Reauthorizes tax credits for contributions to maternity homes and pregnancy resource centers

HB326: Requires written informed consent of minior and one parent/guardian prior to abortion.

Senate Bill SB 67: Modifies the law regarding fetal tissue donation, fetal tissue reports, and abortion facility inspections.

Stay up to date on the status of these bills by signing up for email alerts from the Missouri Catholic Conference at m catholic.org. Contact your state representative in favor of these bills: www.house.mo.gov. Support Alternatives to Abortion: www.stlrespectlife.org

LIVING OUR FAITH

Spiritual Ponderings

Devotions to the 7 Sorrows of St. Joseph

On March 19th, the Church celebrates the feast of St. Joseph the Husband of Mary and on May 1st the Church celebrates the feast of St. Joseph the Worker. Saint John Paul II saw in St. Joseph the powerful intercessor our modern world needed when he declared: "Saint Joseph was a just man, a tireless worker, the upright guardian of those entrusted to his care. May he always guard, protect and enlighten families." To guide our reflections about Saint Joseph this month, I will be turning to the spiritual tradition of meditating on the Seven Sorrows of St. Joseph. (I will reflect on the Seven Joys of St. Joseph sometime in the future.)

Sorrow #1. The Doubt of St. Joseph. (Matthew 1:19)

This first sorrow asks us to focus our attention on St. Joseph at the moment he discovered that Mary was pregnant and how he must have felt believing that Mary had betrayed him. As I reflect on this moment, I do not think that I can truly imagine the pain and heartbreak Saint Joseph must have felt at the moment. St. Joseph was, after all, a young man filled with many hopes, dreams, and expectations for his future and since he was betrothed to Mary, we can be assured that she played an important part in many if not all of those hopes, dreams, and expectations. The pain of the moment was probably magnified by the fact that Mary was probably the last person on earth that Joseph would have expected to betray him in the way he thought. Pain is always magnified when it is inflicted intentionally or accidentally by a love one than if it had been inflicted by a complete stranger.

In this devastatingly sad moment in Saint Joseph's life, Saint Joseph models for us some different virtues that we should incorporate into our lives. The first virtue Saint Joseph models for us is the virtue of patience. Despite the pain and suffering he is feeling and the (presumed) absurdity of Mary's story, Saint Joseph does not act rashly or in haste. He stops and thinks and ponders all options that lay before him. He chose therefore the least emotional and the most rational option of planning to divorce Mary quietly. Saint Joseph could have acted without thinking, while being motivated by anger and rage and had Mary stoned to death. Instead St. Joseph practices the virtue of patience. He allows time for God to unfold his plan. I guess you can say he decided to "sleep on it". His practice of the virtue of patience allows God plan of salvation to continue.

The second virtue St. Joseph demonstrates for us is that of mercy. At this moment, Saint Joseph literally has Mary's life in his hands. It was the law of the land at the time that a woman could be stoned to death for infidelity. Saint Joseph, probably still feeling hurt from Mary's perceived betrayal, chooses to have mercy on her. The decision to have mercy on Mary comes before Saint Joseph knows that Mary's story is true. Saint Joseph's mercy therefore is unconditional.

The third virtue that St. Joseph teaches us is the virtue best called "respect for life." Joseph has the legal right to have Mary killed but he chooses not to. I think this is an important lesson for people in the world today because many of us spend a lot of time focusing on our rights instead of helping other people. The government, society, and culture would have applauded and probably participated in Mary's demise but Saint Joseph new life was more precious than what the rest of the world thought it was.

Thank God, that Joseph did not choose this option because that choice would have affected history in such a negative way that Joseph could ever imagine. I think it is interesting that Adam and Eve brought sin into the world by doing something that they were not supposed to and Joseph allows our savior to come into the world by not doing something he had the legal right to do. I cannot help that he chose to divorce Mary quietly was because Joseph had a deep respect for life. Could we bring Christ's presence into the world by following St. Joseph's example and not claiming our rights that our government gives us but at the same time show no respect for life?

PRAYER TO SAINT JOSEPH FOR CHASTITY

Father and protector of chastity, glorious Saint Joseph, in whose faithful custody was entrusted the very Innocence, Jesus Christ and the Virgin of virgins, Mary; for this twofold and most loved token, Jesus and Mary, I pray and plead you to help me always to purely serve Jesus and Mary with an uncontaminated soul, pure heart and a chaste body. Amen.

April 2, 2017 Fifth Sunday Lent Lectionary: 34 Gospel JN 11:1-45

Spiritual Reflection: If Jesus had not known the end of the story, His delay would have been cruel but Jesus did know the end of the story. When we don't know how something ends, it is important that we have faith and trust because God knows the end of the story.

Spiritual Questions:

1. What do you do when it seems like God does not hear your prayers?
2. How does God knowing everything help you have faith?
3. How was Martha changed by the story?
4. How was Mary changed by the story?
5. How was the bystanders changed?

Way of the Cross The way of the Cross is a traditional devotion that follows Christ journey from His condemnation to the tomb. It can be prayed either individually or as a congregation. The Stations of the Cross readings and prayers are used to focus our thoughts on the events of Jesus' last day on earth. Many faithful use this devotion during the season of Lent.

What's Up Wednesday Lindenwood Area Senior Ministry is hosting a **Lunch & Learn** this Wednesday, **April 5th** at 11:30 am in Memorial Hall of Southwest Baptist Church (6401 Scanlan). Our guest speaker will be Rey Castuciano from Table Wisdom. As millions of Americans continue to live longer, the importance of being socially and civically engaged in a meaningful way becomes crucial. Studies show that social networks have positive health effects for mature adults. However, without such networks, studies reveal that mature adults are at greater risk for health decline. On the other hand, studies consistently show that better English for foreign-borns lead to better job prospects, improved school performance and larger social networks in America. Table Wisdom is a St. Louis-based social enterprise that brings together mature adults and foreign-borns for mentoring and conversational English sessions by video-chat and in-person sessions. The program is a 2016 winner of Washington University's Social Entrepreneurship Innovation Competition and has been shown by a St. Louis University study that it is mutually beneficial. In this presentation, attendees will learn about the founding of the program, the different ways to volunteer anywhere (even at home), and the benefits of the program from our participants. Please RSVP for this FREE Lunch & Learn by contacting the LASM Office at 647-4591.

Barbeque Maplewood Knights of Council #903 will be having their BBQ at Citizens National Bank East Parking Lot in Maplewood on April 8th, from 10 am - 6 pm. Please come and join us.
